Banquet

Enjoy carefree celebrations.
In rooms that have been dined in
for 500 years.

As the host, simply be a guest.

Banquets at the Wilden Mann.

It really is special to celebrate an occasion in centuries-old rooms – such as our Spiegelsaal or the rustic-style Romantiksaal. The most tremendous feasts and parties have taken place within these walls over the years. And the rooms somehow still retain something of all this festive merriment and good spirit.

The Wilden Mann offers the perfect setting in which to celebrate, no matter what the occasion – and there are certainly enough of them. Whatever you wish to raise your glass to with family, friends or colleagues, whether among your next of kin or a large crowd – we ensure your guests are well looked after. And what is most important to us: as the host, you are first and foremost our guest. Our team will take care of it.

A hotel rich in character.

The Wilden Mann.

The Wilden Mann is one of Lucerne's most tradition-steeped hotels. The first written evidence of its existence dates back to 1517. At the time it was a pub, later a tavern: certainly not a refined place. That all changed in the 19th century. Conversions, extensions and renovations were carried out – always with a subtle sense of the aesthetic and the essential. The Wilden Mann became a really top-class address. When the floor and woodwork creak under your soles, you can sense its long history.

Each with its own distinct flair.

Our rooms.

With us, your guests are well looked after even when the party's over. A night in one of our 48 rooms is the perfect way to round off the occasion. After all, every one of our rooms is different – each has its own personal touch. What they have in common is that they have been furnished with great attention to detail. You simply feel at ease here – you can genuinely relax. And the following morning you'll be ready to launch into a new day full of vigour after an exquisite breakfast buffet.

Classic, hearty – and ever-changing.

Our restaurants.

With us you'll enjoy excellent food – far removed from the hectic bustle of daily routine: at the Burgerstube or the Sauvage, in a setting of rustic charm or refined elegance. No matter which you opt for, our chef and his team can be relied on to serve dishes created with genuine skill and passion – real culinary delights!

Sauvage.
A gourmet experience in an elegant ambience.

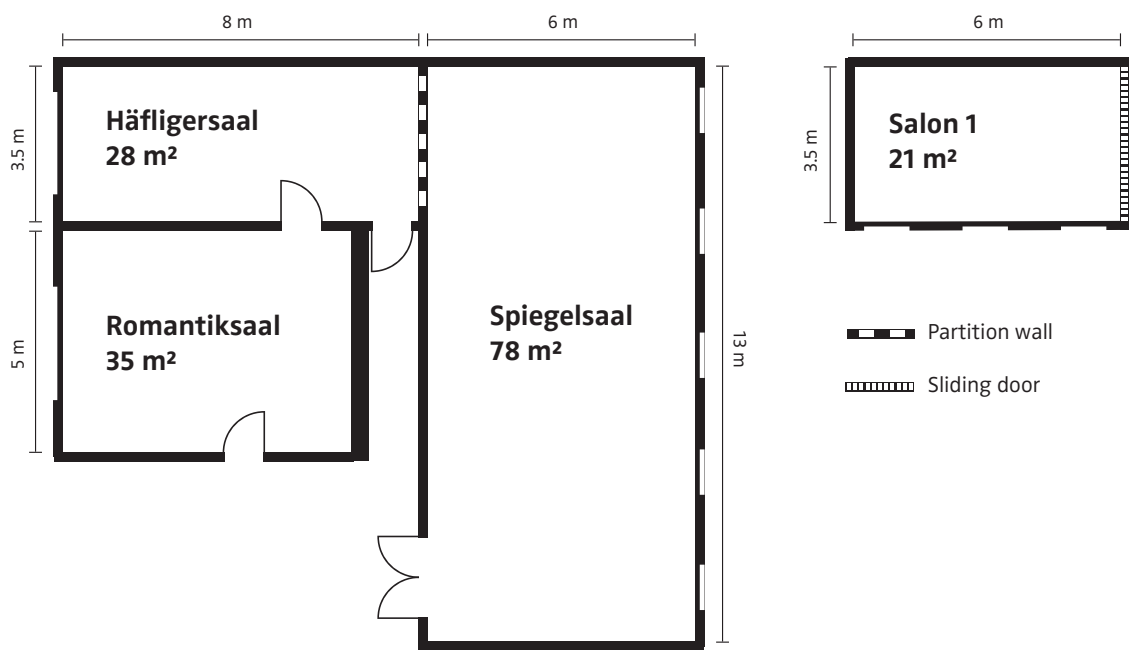

The Sauvage is our gourmet restaurant. In a pleasant, refined setting we serve epicurean classics, flambéed at the table in true style. Or else we present surprisingly distinct interpretations of existing recipes. And all this with 14 Gault Millau points.

Burgerstube.
Home-style cooking in an inviting, low-key setting.

The citizens of Lucerne would once raise their glasses to good business deals at the Burgerstube. Dark wood, with scrolls and bull’s-eye panes: the main parlour is furnished in neo-Gothic style. Here we serve traditional local dishes, prepared with great care and finesse.
